

CAMP TIMBERWOLF FAQ

WHERE IS MY CHILD ATTENDING CAMP?

Please refer to the transaction receipt from when you registered your camper. The site you registered for will be noted on the receipt. Camp is held at two elementary schools during June & July. The last few weeks of camp in August are held at the Cedar Park Recreation Center.

DOES MY CHILD NEED TO BRING A LUNCH?

Yes, you should pack a sack lunch for your child every day of camp. We cannot refrigerate, cook, or heat up food in a microwave for your child— all items should be ready to eat. *Some field trips will provide lunch for your child on Friday. We will note this on the weekly schedule for you to review at the beginning of the camp week.*

In addition, a **separate morning snack** should be packed for your child every day. Please make sure this is clearly marked, especially for younger children, so they do not eat parts of their lunch during snack time. Camp Timberwolf will provide an afternoon snack for campers.

Please send your child with a **water bottle** every day. *Only clear drinks are allowed at the camp sites.*

WILL MY CHILD BE WITH CAMPERS THEIR AGE? CAN MY CAMPER BE WITH THEIR FRIEND?

Campers will be placed in groups called “dens.” The dens at camp are based on the grade your child will be **going into the upcoming school year**. Your child will do most activities with their den group throughout the day. Certain activities will be “all-camp” and the groups will join together to do these.

Cubs: pre k– first grade

Coyotes: second-fourth grade

Wolves: fifth-seventh grade

If your camper and their friend are not in the same grade, they will not be moved from their den groups. However, they will have several opportunities to see each other and spend time together at camp.
